a) Respite Care Association of Wisconsin’s (RCAW) Caregiver Respite Grant Program (CRGP) is the payer of last resort* for primary caregivers*/care recipients* who’ve already applied for other caregiver support programs or those who do not qualify for other caregiver support programs that assist with respite care*.

b) There is no age requirement of the care recipient. This program is available across the lifespan, meaning children, adults, and the elderly.

c) Supporting documentation* regarding the aforementioned is required to be obtained by the applicant from the County, ADRC, etc.

d) This grant is meant to serve primary/unpaid caregivers to receive respite from caregiving duties. This grant does not fund housekeeping, lawn care, snow removal, etc.

e) This grant may be awarded to provide funding for up to five days of respite care in ninety days, and applicants may apply up to four times per year.

f) RCAW will not dictate who provides respite services. Primary caregivers can hire friends, family, providers from an agency, or bring the care recipient to a facility-based environment to receive respite.

g) CRGP applications will not be approved if the Respite Grant Budget* portion of the application is left blank. RCAW cannot approve applications without knowing the monetary amount that the applicant is requesting.

h) RCAW is not the employer of respite providers, and will not pay them directly. The applicant receives approved grant funds, and the applicant then pays the respite provider.

i) RCAW will directly pay provider agencies or facilities.

j) Approved applicants will receive grant funds for respite services once a respite provider has provided the services and returned the Grant Report Form* to RCAW. Both the primary caregiver and respite provider must sign the form as a way to verify services have been provided, including dates, times, and cost.

k) Should the grant funds exceed $600, RCAW will provide the applicant with a 1099. The applicant is expected to deliver the 1099 to the respite provider.

o) There are no limits on individuals who can apply; they must be the primary caregiver of a care recipient.

p) RCAW’s board of directors will review any disputes that CRGP applicants have and are expected to provide resolution requirements for RCAW. The appeal process is on our website.
