

MARGIE ARPIN

BUSINESS OFFICE MANAGER

RCAW

Respite Care Association
of Wisconsin

Margie's duties include accounting and audit prep, fiscal grant management and report filings

PROFESSIONAL EXPERIENCE

Margie has over thirty years of experience in accounting and working in different capacities and industries. While enjoying every position held, the one that made going to work the most meaningful was the most recent as the business office manager at a senior living facility. During her tenure, Margie found her passion for working with people who need assistance while living their best life.

Margie earned a bachelor's degree in accounting at UW-Oshkosh. After graduation, she moved to Colorado Springs, where she obtained her CPA license and worked at a regional CPA firm. After moving back to Appleton, she held management positions in an accounting role at various companies.

Margie has two very adventurous sons, Eddie, who lives in St. Paul and Jack, who is currently teaching in Colombia. She enjoys travel, reading, biking, and being outdoors, pretending to play golf.
