Respite Care Provider Training

RCPT

The Respite Care Provider Training (RCPT) is designed for people interested in providing respite care to individuals with varying disabilities and ages across the lifespan. Learners can work at their own pace to complete the ten required online courses. There is no cost for any of the courses. The RCPT Courses meets the respite training requirements for Wisconsin Medicaid Home & Community Based Waiver Programs. Upon completing the Respite Care Provider Training, learners will be offered the opportunity to be added to the Wisconsin Respite Care Registry, available to anyone or any agency to search for respite care providers in their community.

RCAW also offers FREE training courses in the following categories:
