

The Caregiver Respite Grant Program provides financial support for family caregivers for up to 5 days of respite care within 30 days of application approval. This grant allows approved applicants to hire the respite care provider of their choice to care for the care recipient.

The Supplemental Respite Grant Program supports primary caregivers by providing funding for supplemental respite services. This grant allows you to hire the person of your choice to help you with housekeeping, meal prep, laundry, lawn care, snow removal, transportation, and technology.

The Group Respite Grant Program provides funding so agencies and organizations can hire respite care providers to offer on-site respite care so primary caregivers can partake in activities like support groups, classes, conferences, etc.

The StartUP Respite Grant Program (StartUP) funds new respite programs or businesses in Wisconsin. Funds can be used for start-up program costs, such as facility, insurance, payroll, accounting, licensing, equipment, supplies, and staff education.

The Respite Care Provider Grant provides funding to increase direct respite care services to existing programs that provide services to underserved populations. Direct respite care must be provided within 90 days of the awarded grant.
