

Build Skills. Gain Confidence. Make a Difference.

Free National Training for Respite Providers

The **National Respite Care Provider Training (NRCPT)** is a free, self-paced online training designed to prepare you to provide confident, high-quality respite care.

Whether you are new to respite or already providing care, NRCPT helps you strengthen your skills and expand your opportunities.

WHY TAKE THE NRCPT

Strengthen Your Skills

Learn foundational knowledge in communication, safety, and supporting individuals across the lifespan and disability spectrum.

Build Confidence

Feel prepared to step into new respite care situations with clarity and professionalism.

Support Your Career Growth

Complete 10 online courses and earn a certificate of completion that demonstrates your training and commitment.

Expand Your Opportunities

In participating states, you may have the opportunity to be listed on a respite registry, helping families find you.

WHAT YOU'LL GET

- Free, online access
- Self-paced learning, start and stop anytime
- National, evidence-informed curriculum
- Designed for entry-level and current providers
- Inclusive training that reflects diverse families and communities

Your care matters. The NRCPT helps you provide it with skill, confidence and professionalism.

TAKE THE NEXT STEP

Enroll in the free NRCPT, complete the training and earn your certificate of completion.

Need help? Scan the QR code below that links to ARCH's State Respite Coalition and Lifespan Respite Grantee Contacts. If your State is not listed, then follow the suggestions below.

HELP BRING THE NRCPT TO YOUR STATE

Respite Providers play an important role in strengthening respite services. By raising awareness about NRCPT, you can help expand access to trained providers for families like yours.

- Share information about NRCPT with your local respite programs, County or ADRC.
- Encourage States to adopt the NRCPT to expand the pool of trained respite care providers in your area.

For more information about the NRCPT, email info@respitecarewi.org. Or scan the QR code to visit respitecarewi.org/training-courses/respite-care-certificate-program

The NRCPT Toolkit was developed as part of the ACL-funded Respite Provider Recruitment, Training, and Retention Pilot Project with the ARCH National Respite Network and Resource Center (ARCH), National Academy for State Health Policy (NASHP) and the Respite Care Association of Wisconsin (RCAW).

This project is supported by the Administration for Community Living (ACL), U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$1,250,000 with 75 percentage funded by ACL/HHS and \$416,667 and 25 percentage funded by non-government source(s). The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by ACL/HHS, or the U.S. Government.
